## ADDENDUM TO RESPONSE TO OFFICE ACTION

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

This is an Addendum to the Response to Office Action showing the changes made to the specification made thereby.

Please replace the title appearing at Page 1 and at Page 57, line 1, with the following:

Ergonomically-Designed Dual Station, Dual Display Gaming Station With Player Conveniences [Game Station]

Please replace the Abstract appearing at Page 57 with the following:

A game station is configured to present multiple games to each of two players. The game station includes a base unit having first and second playing surfaces extending outwardly for supporting game cards used to play a game. A console extends upwardly between the playing surfaces and supports first and second side-by-side electronic video displays on each side facing the player surfaces. Independent game controllers are provided for each of the displays for presenting
